Interoffice Memo

TO: Eric Evans, President of Council
FROM: Darlene Heller, Director of Planning & Zoning
RE: Zoning Amendment

DATE: September 21, 2012

At their September 20, 2012 meeting, the Planning Commission voted unanimously to recommend approval of the Zoning Amendments addressing Chapter 1317 of the Ordinance, Floodway and Flood Fringe Districts. A copy is attached for your reference.

Please process the Amendment for review and approval. The updated Ordinance provisions are required by FEMA since all flood plain maps in Northampton County are being updated at this time.
