Re: Petition of Moravian College for Street Vacation

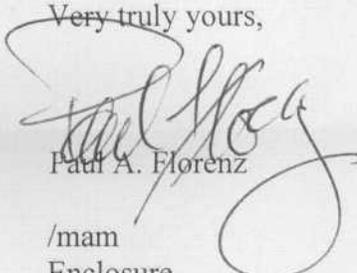

Dear Ms. Kelchner:

As you know, my office represents Moravian College with regard to its Petition to City Council for the vacation of Durham Street, from its intersection with Orchard Street, to Main Street, and Orchard Street from its intersection with Durham Street to West Laurel Street. Moravian College owns 100% of the property on both sides of both Orchard Street and Durham Street. Moravian proposes to erect a new Health Science Building on the lot bordered by Orchard Street and Durham Street, and, therefore, public access along these streets will no longer be needed or allowed.

Our formal Petition is enclosed with this letter.

Thank you for your attention, and if any additional information is required, please let me know, and I will promptly provide whatever is needed.

Very truly yours,

  
Paul A. Florenz

1. Petitioner, Moravian College, is a Pennsylvania non-profit corporation, which operates an institution of higher education, located in the city of Bethlehem, Northampton and Lehigh Counties, Pennsylvania.
2. Located within property owned by Petitioner in Bethlehem, Northampton County, are two streets, each one block in length, intersecting each other, known as Durham Street and Orchard Street, respectively. A map depicting the location of Durham Street, and a legal description of Durham Street, are attached hereto, collectively, as Exhibit "A," and made parts hereof. 3. Petitioner owns 100% of the property on both sides of both Durham Street and Orchard Street.
4. The city block which is bounded by Durham Street, Orchard Street, West Laurel Street, and Main Street, contains residential buildings which have been used by Petitioner for student housing.
5. Petitioner plans, subject to appropriate Amendment of the City of Bethlehem Zoning Map, which Amendment has been applied for separately, to raze the buildings located on this block and replace them with a new Health Science Building, which will contain class rooms, laboratories, offices, and other such facilities which will be used by Petitioner as part of its educational mission.

6. Upon construction of the new Health Science Building, public access along Durham Street and Orchard Street will no longer be needed or allowed.

7. Under these circumstances, vacation of Durham Street and Orchard Street would be appropriate.

WHEREFORE, Petitioner prays City Council to vacate Durham Street, from its intersection with Orchard Street to its terminus at Main Street, and Orchard Street from its intersection with Durham Street to its terminus at West Laurel Street, as such streets are more particularly described in Exhibits A and B hereto.
