MEMORANDUM

To: City Council Members  
From: M. Kloiber  
Re: Proposed Illick's Mill Lease with Appalachian Mountain Club  
Date: October 1, 2015

---

In paragraph 11.C., the Administration and Appalachian Mountain Club agree that a few words should be changed in the proposed lease. In particular, "person" should be changed to "occurrence" and "per occurrence" should be changed to "aggregate". The revised language would read: "...One Million Dollars (\$1,000,000.00) per occurrence, and Two Million Dollars (\$2,000,000.00) aggregate."

A handwritten signature in black ink, appearing to read "M. Kloiber", is written over a horizontal line.
